ABOUT AVINGTON

Welcome to Avington Park, where the charm of the Hampshire countryside meets quintessential English grace, all just a whisper away from the historic city of Winchester and a scenic drive from London.

At Avington, we cater to two distinctive wedding styles to match your vision. Opt for a grand and majestic celebration set against the backdrop of Georgian elegance, sprawling parklands and the crystal-clear River Itchen. Alternatively, embrace a rustic-chic ambiance, perfect for those who desire a serene lakeside setting, offering a picturesque scene with private lakes and natural beauty.

Choose from a variety of splendid venues, including the grandeur of our historic orangery, the romance of riverside settings, or the charm of our rose gardens. Make a grand river boat entrance or take a dreamy stroll through floral pathways to exchange vows in breath-taking locales.

For your convenience we have on-site accommodation for guests in an array of elegant and rustic lakeside properties, catering for multi-day celebrations.

A GRAND ENTRANCE

Begin your unforgettable day at Avington Park by entering through the Grade I listed gates, leading you up a tree-lined driveway to Avington House.

Or opt for a truly unique entrance by arriving via riverboat on the crystal-clear River Itchen, adding an element of serene grandeur.
